MEMORANDUM FOR ALL INSTALLATION PERSONNEL

FROM: 111 ATKW/CC

SUBJECT: 111th Attack Wing Environmental Commitment Statement

1. PURPOSE. The 111th Attack Wing supports Air Force Policy Directive 90-8, *Environment, Safety & Occupational Health and Risk Management*. This Environmental Commitment Statement outlines the responsibilities and expectations regarding the 111th Attack Wing's support of this Policy and the installation's Environmental Management System (EMS).

2. AUTHORITY. DOD 4715.17 *Environmental Management Systems*, Current Revision Air Force Policy Directive 90-8, *Environment, Safety & Occupational Health and Risk Management*, Current Revision Air Force Instruction 32-7001, *Environmental Management*, Current Revision.

3. SCOPE.

*a. The Pennsylvania Air National Guard, 111th Attack Wing supports Air Force Policy Directive (AFPD) 90-8 Environment, Safety, and Occupational Management and Risk Management as the Air Force and Air National Guard Policy.*

b. The 111th Attack Wing of the Pennsylvania Air National Guard endeavors to protect human health and the environment as it accomplishes its stated mission.

c. The 111th Attack Wing is dedicated to the continuous implementation and documentation of an installation-wide Environmental Management System (EMS) designed to ensure compliance with applicable Federal, Air Force-specific, State, and local environmental regulations and policies.

d. The 111th Attack Wing endeavors to support pollution prevention, and to continual improvement of its environmental management practices and programs. The installation will support Air National Guard Readiness Center subject matter experts in maintaining the Air National Guard's environmental aspect inventory by identifying and communicating new aspects and providing information if requested. Senior leaders will commit adequate resources to carry out this process while maintaining mission effectiveness.

e. This Environmental Commitment Statement will be reviewed annually by the base Environment, Safety and Occupational Health Council (ESOHC) and the EMS Cross-Functional Team, updated as required, and documented in meeting minutes posted on the Virtual Environmental Management Office (VEMO).

4. COMMUNICATION. This Environmental Commitment Statement will be communicated to all persons working for or on behalf of the 111th Attack Wing while on the installation and will be publicly available via the 111th Attack Wing website.
