I attest that I will participate in this event as a footrace, that I am physically fit and sufficiently trained for the completion of this event. I understand that if I am physically injured during this race and it is found that I had a duty limiting condition documented on an Air Force Form 469 or an Army DA 3349 that prohibited me from participating in physical activity such as the run and/or walk components of the service connected fitness test, I may receive a finding of misconduct on a Line of Duty determination.
