**Online Uniform Services Identification (USID)
Card Renewal Pilot
Frequently Asked Questions (FAQ)
Version: 1.3
Last Updated: 12/11/2023**

The Defense Manpower Data Center (DMDC) is piloting new services that do not require in-person visits to Real-time Automated Personnel Identification System (RAPIDS) sites, including implementation of an online USID card renewal capability. With this new capability, sponsors can request renewal of their or their dependents' USID card online, via ID Card Office Online (IDCO) and have the new card mailed directly to them. After approving online requests from eligible card recipients (see Question 1 below), DMDC will produce the USID card and mail it to the card recipient.

List of Questions

Question 1: Who is eligible for Online USID Card renewals? 1
Question 2: Where do I request an online renewal for a USID card? 2
Question 3: What is the overall process for Online USID Card Renewals?..... 3
Question 4: How will I receive my USID card?..... 3
Question 5: How do I activate my USID card? 3
Question 6: What if I do not receive my USID card in the mail? 3
Question 7: What do I do with my old/expired USID card? 4
Question 8: Where can I find additional support for Online USID Card Renewals? 4

Question 1: Who is eligible for Online USID Card renewals?

Answer: During the pilot program, online USID card renewal is limited to active duty, retired, reserve, and dependent family members of uniformed Service members that meet the following criteria:

Sponsor Requirements

- Possess and able to log on to the IDCO site using an active Common Access Card (CAC) or DoD Self-service Logon (DS Logon) credential
- Personnel status is active and extends at least 30 days past the date of the online renewal request
- Has an authorized DoD email address listed in the Defense Enrollment Eligibility Reporting System (DEERS)
- *Note: Foreign Affiliates and Foreign National Employees are not currently supported by this pilot. These cardholders must visit RAPIDS sites to renew their USID cards*

Card Recipient Requirements

- Is requesting renewal of an active USID card
- Has a photo saved in DEERS taken in the last 12 years
- Has been verified by the sponsor on the IDCO website in the last 90 days
- Sponsor's or cardholder's record is not locked and contact data is not restricted
- Has an active email address in DEERS that the card recipient has authorized DoD to use for communications (Check your email address authorization under "My Profile" at the IDCO website, under "Email Addresses")
- Has a mailing address present in DEERS that is in the continental US, Hawaii, or Alaska. *Note: USID cards cannot be mailed to Post Office Boxes*

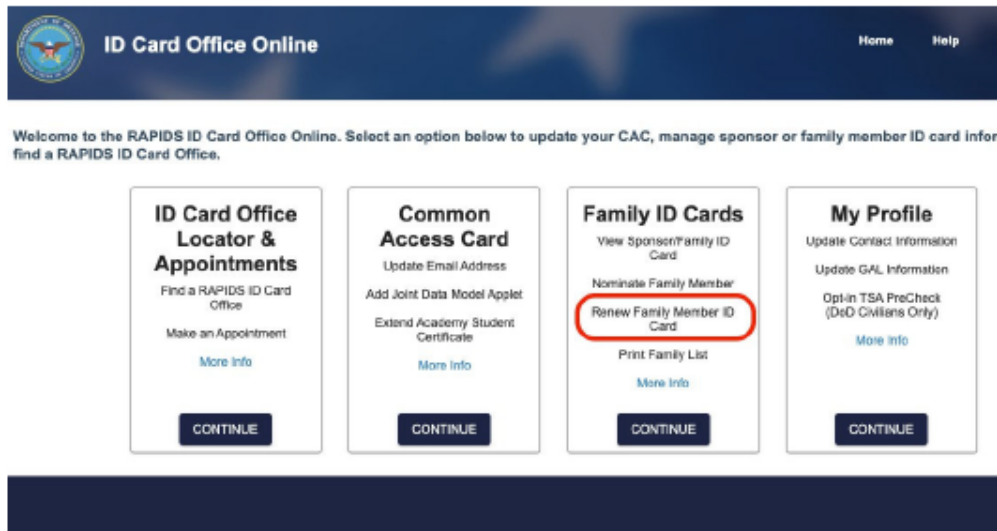

Eligibility Notes

- Children are eligible for online USID renewal if they have an active USID card and their sponsor meet the requirements above
- Changes in status and age may make children ineligible for online USID renewals (e.g., children are not eligible after age 21 unless they are a full-time student or incapacitated)
 - Enrollment in Tricare Young Adult does not by itself make a child eligible for a USID card

Question 2: Where do I request an online renewal for a USID card?

Answer: Sponsors must login using their CAC or DS Logon credential and submit requests via ID Card Office Online clicking the "Family ID Cards" tab from the landing page via

<https://idco.dmdc.osd.mil/idco/>

Note: The sponsor must be logged into IDCO using their CAC or DS Logon credential to request an online USID card renewal.

Question 3: What is the overall process for Online USID Card Renewals?

Answer:

1. The sponsor will request a USID card renewal in IDCO (see IDCO site instructions and Question 2 above for more information)
2. Once the request is successfully processed, the card will be created and mailed to the card recipient via U.S. mail
3. An email will be sent to the sponsor and card recipient once the card is shipped directing the sponsor to acknowledge the receipt of the card via IDCO
4. Once the sponsor acknowledges receipt of the card, the new USID card will be activated, and the prior card will be terminated. The prior card should then be returned to the government (see Question 7 below)

If the renewal request is not approved or fails, the card recipient will receive an email. Depending on the reason for the failure the sponsor will be instructed to submit a new request in IDCO or to visit a RAPIDS site for issuance of the card.

Question 4: How will I receive my USID card?

Answer: New cards will be mailed directly to the card recipient's address on file in DEERS via U.S. mail.

Question 5: How do I activate my USID card?

Answer: Both the sponsor and the card holder will receive an email notifying them that Government Publishing Office (GPO) has successfully processed the card. It is then the sponsor's responsibility to acknowledge the receipt of the card in IDCO. Once the sponsor acknowledges receipt of the card in IDCO, the new card is activated, and the prior card will be terminated and should be returned to the government (see Question 7 below).

Sponsors are required to login to IDCO using their CAC or DS Logon credential to request or activate new USID cards.

Question 6: What if I do not receive my USID card in the mail?

Answer: The sponsor can track the status of request at any point via the IDCO website. If the card recipient does not receive the card within 15 days of notification that it was mailed, please report the card as lost in transit in IDCO.

Individual judgement should be used on reporting a card as lost in transit because it cannot be reversed if the card subsequently arrives. If the card recipient's mail typically takes longer to arrive it may be advisable to wait extra time before reporting the card as lost in transit.

Once the card is reported as lost in transit:

- A new renewal request can be submitted via IDCO or the card recipient may visit a RAPIDS site for issuance of the card
- The lost USID card will be terminated and cannot be used if subsequently received
- A notification email will be sent to the sponsor and card recipient including the process for returning the card if subsequently received
- Sponsors cannot replace a lost or stolen USID card, although dependents are able to do so

Question 7: What do I do with my old/expired USID card?

Answer: Per DoD policy, all ID cards are property of the U.S. Government and shall be returned upon separation, resignation, firing, termination of contract or affiliation with the DoD, or upon any other event in which the individual no longer requires the use of an ID card. The ID card may be returned to your nearest RAPIDS site, which can be found using the [ID Card Office Locator](#), or via U.S. mail to:

DMDC – DSC
Attn: USID Card Returns
2102 E 21st Street N
Wichita, KS 67214

Question 8: Where can I find additional support for Online USID Card Renewals?

Answer: Additional information on the Online USID Card Renewals pilot is available at:

TRICARE MEDICARE TURNING AGE 65 INFORMATION

To Read this article follow the URL:

<https://content.govdelivery.com/accounts/USMHSTMA/bulletins/3842b8e>

As a TRICARE beneficiary you will “age out” of TRICARE Prime or Select, as your Primary health insurance and you will transition to TRICARE for Life (TFL) but you need to ensure you are enrolled in Medicare Part A & B on the last day of the month prior to their 65th birth month. For example, if your 65th birthday is Nov. 21, TRICARE coverage ends Oct. 31, unless you

Medicare and TRICARE for Life (TFL) work together as linked in-system meaning Health care providers bill Medicare as the primary payer. Residual costs from Medicare automatically flow to TFL for final payment.

When the spouse who turns 65 first enrolls in Medicare/TFL, and the younger spouse stays in TRICARE Prime or Select until age 65. Your TRICARE contractor should adjust the annual enrollment fee from family to single rate for the younger spouse if he/she is an empty nester.

Because of these insurance changes you’ll need to plan ahead for when your coverage stops. Thankfully there is a wealth of information available from TRICARE and Military Officers Association of America (MOAA):

www.facebook.com/111thATKW

Transitioning Into Medicare and TFL Checklist

AGE 64 AND 9 MONTHS

CURRENTLY RECEIVING SOCIAL SECURITY BENEFITS

- The Social Security Administration (SSA) automatically enrolls you in Medicare Parts A and B — Do NOT opt out of Medicare Part A or B.
- Do NOT enroll in Medicare Part D. TFL includes pharmacy benefits at no additional cost.
- Monthly Medicare Part B premium withheld from Social Security beginning at age 65.

NOT YET COLLECTING SOCIAL SECURITY BENEFITS

To Do:

- Contact the SSA at (800) 772-1213 or www.ssa.gov to enroll in Medicare Parts A and B.

Remember:

- Do NOT enroll in Medicare Part D.
- Quarterly Medicare Part B premium billed.

PREPARING TO USE MEDICARE/TFL BENEFITS

To Do:

- Upon receipt of your Medicare enrollment card:
 - contact the Defense Enrollment Eligibility Reporting System at (800) 538-9552 or your nearest uniformed services ID card facility, and
 - notify them you are enrolled in Medicare Parts A and B and wish to use your TFL benefits.
- If using a TRICARE supplement, notify the carrier to terminate coverage at age 65.
- If you haven't done so already, consider long-term care insurance.

Remember:

- Quarterly Medicare Part B premium is billed until receipt of Social Security; then monthly Medicare Part B premium is withheld from Social Security.
- Your uniformed services ID card is your TFL identification card.
- Your spouse ages into Medicare/TFL upon reaching age 65 following the same process.

AGE 65 AND OLDER

EMPLOYER-SPONSORED HEALTH CARE PLAN COVERAGE

To Do:

- Contact the SSA at (800) 772-1213 or www.ssa.gov to enroll in Medicare Parts A and B.

Remember:

- You can opt out/delay Medicare without penalty if covered by an employer health care plan. However:
 - TRICARE eligibility is lost until you enroll in Medicare.
 - Direct care at a military treatment facility (MTF) still might be available — but it is not guaranteed
 - Upon termination of your employer-sponsored health care plan through loss of coverage or end of employment, you have an eight-month special enrollment period to enroll in Medicare. However, your TFL remains suspended until you enroll in Medicare.

USING MEDICARE/TFL BENEFITS

To Do:

- After receiving your Medicare insurance card, you should update your uniformed services ID card. Ask the ID card clerk to confirm TFL enrollment.
- Select a health care provider based on which ones accept Medicare; TFL as final payer is invisible to providers.
- Enroll in the TRICARE mail-order pharmacy. Beneficiaries must use home delivery for maintenance medications.

Remember:

- Your uniformed services ID card is your TFL identification card.
- Medical claims cross automatically from Medicare to TFL, unless you have other health insurance.
- Direct care at an MTF, called TRICARE Plus, might be available — but it is not guaranteed.
- TRICARE pharmacy options are identical before and after age 65.
